

# Returning to the Feminine

A week course on Crete 17 – 24 Oktober 2014

This course is in English

The island where Heaven meets Earth

In this week we will work with colour, sound, painting, chakra work, meditation and yoga. Massage and a personal session is included. Gently you can let go of all what is no longer needed in your life. You will become aware of new talents and creativity will flow easily as a result of your journey through out this week. We will integrate the experiences on power places in the nature.
